By Luke Ahlman

Who is Arunas

- ▣ Arunas founded PAETEC Comunciations.

Products

- ▣ Paetec is a communication company that offers data, voice, and Internet communications services
- ▣ They also offer solutions portfolio encompasses data center solutions, communications management software, equipment, and software and equipment financing programs.

Employees

- ▣ They started off with 71 employees and they currently have 4000.

His Story

- ▣ Arunas started off at a telecommunications company by the name of ACC. When the word passed that AT&T was buying out ACC he was excited. I thought that he would be able to move up in the company and get a bigger and more important job. Unfortunately he was wrong, AT&T was not interested in keeping him and his fellow employees . When he found this out he went over the company and picked out 75 people that he thought would best suite his business idea. Shortly after this PAETEC was started. To this day they are very successful.

Inspiration

- ▣ “You can think of an idea... but to make it happen, you have to really believe it, work hard at it and get the right people involved.”
- ▣ This quote inspired arunas to start his company. This is highly related to his company because he created his idea, he thought of the best suited people to help him and he started his company.

Holly Creek
